I declare, under the penalties of perjury, that this return has been examined by me and to the best of my knowledge and belief is a true, correct and complete return.

Regulatory License Fee:

(a) A regulatory license fee is imposed on the gross receipts of sale of alcoholic beverages of each license issued by the City ABC Administrator. Said license fee shall be five (5%) percent of gross sales of alcoholic beverages as set by the City Council. The City Council hereby determines that said percentage rate is reasonably estimated to insure full reimbursement to the City for the cost of any additional policing, regulatory or administrative expenses related to the sale of alcoholic beverages. Such fee shall be in addition to any other tax, fee or license permitted by law, but a credit against such fee shall be allowed in an amount equal to the license or fee imposed and such regulatory fee shall be applied annually from January 1 to December 31.
(b) For Distilled Spirits and Wine license, payment of such regulatory fees shall be remitted to the City ABC Administrator, and shall accompany the tax returns approved for such use by the City Council. These returns and payments are due monthly by the 20th day of the following month at which time one-twelfth (1/12) of the annual fees shall be deducted as a credit.

(c) For Malt Base Beverage or Restaurant Wine license, payment of such regulatory fees shall be remitted to the City ABC Administrator, and shall accompany the tax returns approved for such use by the City Council. These returns and payments are due no later than by the end of the month immediately following each calendar quarter at which time one-fourth (1/4) of the annual fees shall be deducted as a credit.

(d) Failure to pay such quarterly remittance within ten (10) days of the due date constitutes a violation and subjects licensee to suspension revocation.

(e) Penalty for failure to file a return and pay quarterly remittance by the due date is five percent (5%) of the tax for each ninety (90) days or fraction thereof. The total late filing penalty shall not exceed twenty-five percent (25%) of the tax, provided, however, in no case shall the penalty be less than Ten Dollars ($10.00).

(f) Interest at the rate of eight percent (8%) per annum will apply to any late payments.

Change of Information:

(a) Since a number of licenses issued by the City are in the name of a corporation, it is necessary that stock ownership changes in such corporation be reported to the City ABC Administrator. The City ABC Administrator can therefore, investigate the person to whom the stock is transferred in order to ascertain whether that person is precluded by statute from holding an interest in an alcoholic beverage license.
(b) As used herein, the word "change" is construed to include any change in directors or officers of the corporation, or change in ownership of stock whereby any person secures ten percent (10%) of the outstanding stock. Transfer of more than ten percent (10%) of the total stock shall require a new license.

c) The following information will be required concerning any new director, officer, or person securing any interest in alcoholic beverage license:

(a) It is necessary that a licensee actually conduct the business authorized by such a license or else the license will be declared dormant and become null and void after ninety (90) days. Such is the intent of this section. Realizing that a licensee, like other business, may have his business interrupted by situations not under his control, various exceptions to the dormancy rule have been included in this section.

(b) Any license under which no business is transacted during a period of ninety (90) days shall become null and void. At the expiration of the ninety (90) day period the license shall be
surrendered to the City ABC Administrator.

(c) Except that the provisions of subsection (a) hereof shall not apply to any licensee who is unable to continue in business at the premises for which a license is issued due to construction, an act of God, casualty, death, the acquisition of the premises by any federal, state, city or other governmental agency under power of eminent domain, acquisition is voluntary or involuntary, or loss of lease through failure of landlord to renew existing lease. Such licensee shall furnish to the City ABC Administrator a verified statement setting forth the fact that the licensee is unable to continue in business prior to the expiration of the ninety (90) days of inactivity, for any of the reasons set forth herein, and the City ABC Administrator may grant an extension of the dormancy with the license continuing to remain in effect during the license period or until same is transferred to another premises, notwithstanding the fact that no business is transacted during said period; provided, however, no such license shall be considered valid unless business is conducted thereunder within twelve (12) months from the date of notice to the City ABC Administrator. Such extension may not extend beyond the renewal date but may be for such times as the City ABC Administrator deems appropriate in exercise of his sound discretion.

(d) All renewal licenses must be on file with the City ABC Administrator within thirty (30) days prior to the expiration of the licenses for the preceding license period or the same shall be canceled, except where the licensee is unable to continue in business at the same premises licensed during the preceding license prior due to construction, an act of God, casualty, death, the acquisition or threatened acquisition of these premises by any federal, state, city or other governmental agency or private corporation, possessing power of eminent domain, whether such acquisition is voluntary or involuntary, or loss of lease through failure of landlord to renew existing lease; that said licensee
shall file a written verified statement no less than twenty (20) days from the expiration date of the license, setting forth these facts, and the City ABC Administrator is hereby authorized to extend the time for filing of a renewal of such license for a reasonable length of time within the sound discretion of the City ABC Administrator; provided, however, such licensee shall pay a license fee from the expiration date of the former license or licenses. Said license fee shall not be payable until application is made for the transfer of said license to a new location.

Approval of Premises:

The City ABC Administrator shall not grant any alcoholic beverage license or approve a renewal of a license until said applicant and his place of business shall have been approved by the city building official, and any and all other inspections required by the Kentucky Building Code.

Delinquent Taxes or Fees:

No license to sell alcoholic or malt beverages shall be granted or renewed to any person who is delinquent in the payment of any taxes or fees due the City at the time of the issuing the license; nor shall any license be granted or renewed to sell upon any premises or property, owned and occupied by the licensee upon which there are any delinquent taxes or fees due the City. He or she shall keep the original returns on file for a period of not less than three (3) years after filing.

B. Enforce the provisions of this Ordinance, all in accordance with any policies set forth in any ordinance, municipal order, or executive order.

C. Prepare forms and instructions for the returns and payments required by this Ordinance. All instructions shall be clear and shall be as short as possible.

D. Examine returns. And for any returns appearing to be incorrect, make inquiries, investigations, and adjustments in the amount of tax due.

E. Where necessary to determine accurate figures for determining the amount of tax due, examine books, records, and information stored in computers of any taxpayer, provided that each city officer or employee acting under this ordinance shall identify himself or herself and request the information desired. If the officer or employee is refused admission to any place of business or refused access to any records or computer memory, the City Director of Finance or employee shall leave the premises and shall seek an appropriate court order, with the assistance of the city attorney, to obtain access to the information needed.

F. The City Director of Finance shall approve the form of all returns and written instructions prior to use by an agent or employee designated by him or her in writing.

G. The City Director of Finance may prepare pamphlets for distribution to the public, clearly explaining the restaurant tax, returns, and payments required.
Section Ten (10): Procedures for Applying for Refund of Overpayment.

A. Any taxpayer (pursuant to this Ordinance) who truly believes that he has made or permitted an overpayment of his or her liability for any restaurant tax required by this Ordinance may apply for refund of said overpayment provided that he or she files an amended return, verified under oath and setting forth in detail the full explanation of the reason of the said claimed overpayment of his or her liability, within one (1) year of the date of said overpayment is made or the date he or she said restaurant tax payment was due, whichever occurs first.

B. If a refund has been properly claimed according to the provisions of paragraph A above, then the City Director of Finance shall have the authority to honor and refund any such overpayment actually made above actual liability upon the restaurant tax required under the Ordinance which he or she determines within his or her sole discretion was made through honest mistake or inadvertence.

C. In no event shall any refund be made for any payment upon any restaurant tax unless the refund claim is submitted and filed in strict compliance with the foregoing provisions of this section upon such refund claim forms or amended return forms as hereafter shall be promulgated by the City Director of Finance from time to time.

Section Eleven (11): Failure to File Return, Failure to Pay the Restaurant Tax Withheld, Underpayment of amount due.

A. If the taxpayer liable for collecting the restaurant tax and filing a return fails to make a return, the City Director of Finance shall prepare an estimate of the amount of restaurant taxes due based on the best information available to them. The City Director of Finance may make investigations to assist in making the estimate. He or she may consider the volume of business done in the same type of business, and any other relevant matters. When the City Director of Finance estimates the restaurant taxes, the amount of interest and late charges provided by this ordinance shall be added to the taxes due. He or she shall notify the taxpayer of the amount due. Such notification shall be in writing and shall contain a brief description of the method and estimated figures used in arriving at the estimated tax. Any taxpayer may dispute the amount of the estimated tax by filing within thirty (30) days of notification of the estimated taxes a return accompanied by payment of the entire balance due together with the interest and late charges due. Such return shall be processed like any late return, and shall establish the restaurant tax liability of the taxpayer in place of the estimated amount prepared by the City Director of Finance. However, the City Director of Finance may later determine that the amount shown in the return is insufficient so there is a deficiency, in the same manner as in the case of other returns.
B. If the City Director of Finance determines, by examining available evidence, that the amount of restaurant taxes paid over by the taxpayer is less than the amount required by this Ordinance, he or she shall notify the taxpayer of the deficiency. The City Director of Finance may use any of the methods authorized in paragraph A of the section to determine whether a deficiency exists and to determine the amount of such deficiency. He or she shall thereupon notify the taxpayer of the deficiency. Such notice shall be in writing and shall state not only the amount of the deficiency but also the methods and estimates used in arriving at the amount of the deficiency. If the taxpayer does not object in writing within thirty (30) days of the date of receiving such notice, the taxpayer shall be deemed to have accepted the revised figures for the restaurant tax liability. If the taxpayer does file written objection within the time specified, the taxpayer shall pay the fees, together with penalties and interest, under protest and may thereupon pursue administrative and judicial remedies as provided by this Ordinance and by state law to seek a refund.

C. If the City Director of Finance finds that any taxpayer has overpaid, he or she shall notify them of overpayment and shall refund the amount of the overpayment to them.

D. When the City Director of Finance notifies any taxpayer of any estimated amount due, alleged overpayment, or refund, he or she shall include in the notice clear instructions on how, when, and where the taxpayer may protest or appeal the decision.

E. If any taxpayer or any person, firm, association, or corporation required by this ordinance to pay a restaurant tax or to file a return shall fail to file any return for any month, such failure to file shall constitute a continuing offense against the city and the City Director of Finance may proceed to estimate and collect the restaurant taxes at any time. In all other cases, no increases shall be made in the taxpayer’s restaurant tax liability unless the first notice of such increase is received by the taxpayer within three (3) years of the time the return was first due.

Section Twelve (12): Severability

The provisions of this Ordinance are severable. If any sentence, clause, section, or part of this Ordinance or the application thereof to any particular case is for any reason found to be unconstitutional, illegal, or invalid, such unconstitutionality, illegality, or invalidity shall not affect or repeal any of the remaining provisions, sentences, clauses or sections or parts of this Ordinance, it being the legislative intent of the City Council of Elizabethtown to ordain and enact each provision, section, paragraph, sentence and part thereof, separately and independently of each other.

This information shall consist of a certificate from a Certified Public Accountant familiar with the applicant's pertinent business records. This certificate shall state:

"I have conducted a limited scope audit according to accepted accounting principles of the pertinent records of ________________, Licensee under Ordinance No. 12-2002, and certify that the Licensee earned at least seventy (70%) percent of its gross receipts from the sale of food during the quarter

This certificate shall include a brief description of the methodology utilized in the determination of the certified percentage.

**Regulatory License Fee:**

(a) A regulatory license fee is imposed on the gross receipts of sale of alcoholic beverages of each license issued by the City ABC Administrator. Said license fee shall be five (5%) percent of gross sales of alcoholic beverages as set by the City Council. The City Council shall adopt at the beginning of each budget period for each fiscal year such percentage rates as shall be reasonably estimated to insure full reimbursement to the City for the cost of any additional policing, regulatory or administrative expenses related to the sale of alcoholic beverages. Such fee shall be in addition to any other tax, fee or license permitted by law, but a credit against such fee shall be allowed in an amount equal to the license or fee imposed and such regulatory fee shall be applied annually from January 1 to December 31.

(b) Payment of such regulatory fees shall be remitted to the City ABC Administrator, and shall accompany the tax returns approved for such use by the City Council. These returns and payments are due no later than by the end of the month immediately following each calendar quarter at which time one-fourth (1/4) of the annual fees shall be deducted as a credit.

(c) Failure to pay such quarterly remittance within ten (10) days of the due date constitutes a violation and subjects licensee to suspension revocation.

(d) Penalty for failure to file a return and pay quarterly remittance by the due date is five percent (5%) of the tax for each ninety (90) days or fraction thereof. The total late filing penalty shall not
exceed twenty-five percent (25%) of the tax, provided, however, that in no case shall the penalty be less than Ten Dollars ($10.00).

(e) Interest at the rate of eight percent (8%) per annum will apply to any late payments.

Change of Information:

(a) Since a number of licenses issued by the City are in the name of corporation, it is necessary that stock ownership changes in such corporation be reported to the City ABC Administrator. The City ABC Administrator can therefore, investigate the person to whom the stock is transferred in order to ascertain whether that person is precluded by statute from holding an interest in an alcoholic beverage license.

(b) As used herein, the word "change" is construed to include any change in directors or officers of the corporation, or change in ownership of stock whereby any person secures ten percent (10%) of the outstanding stock. Transfer of more than ten percent (10%) of the total stock shall require a new license.

(c) The following information will be required concerning any new director, officer, or person securing any interest in alcoholic beverage license:

Such licensee shall furnish to the City ABC Administrator a verified statement setting forth the fact that the licensee is unable to continue in business prior to the expiration of the ninety (90) days of inactivity, for any of the reasons set forth herein, and the City ABC Administrator may grant an extension of the dormancy with the license continuing to remain in effect during the license period or until same is transferred to another premises, notwithstanding the fact that no business is transacted during said period; provided, however, no such license shall be considered valid unless business is conducted thereunder within twelve (12) months from the date of notice to the City ABC Administrator. (d) All renewal licenses must be on file with the City ABC Administrator within thirty (30) days prior to the expiration of the licenses for the preceding license period or the same shall be canceled, except where the licensee is unable to continue in business at the same premises licensed during the preceding license prior due to construction, an act of God, casualty, death, the acquisition or threatened acquisition of these premises by any federal, state, city or other governmental agency or private corporation, possessing power of eminent domain, whether such acquisition is voluntary or involuntary, or loss of lease through failure of landlord to renew existing lease; that said licensee shall file a written verified statement no less than twenty (20) days from the expiration date of the license, setting forth these facts, and the City ABC Administrator is hereby authorized to extend the time for filing of a renewal of such license for a reasonable length of time within the sound discretion of the City ABC Administrator, provided, however, such licensee shall pay a license fee from the expiration date of the former license or licenses. Said license fee shall not be payable until application is made for the transfer of said license to a new location.

Approval of Premises:

The City ABC Administrator shall not grant any alcoholic beverage license or approve a renewal of a license until said applicant and his place of business shall have been approved by the city building inspector, and any and all other inspections required by the Kentucky Building Code.

the licensee upon which there are any delinquent taxes or fees due the City. Further, if a licensee
becomes delinquent in the payment of any taxes or any fees due the City at any time during the license
period, the license to sell alcoholic or malt beverages shall be subject to revocation or suspension.

(a) Every licensee under this Ordinance shall keep and maintain upon the licensed premises adequate
books and records of all transactions involved in the sale of alcoholic beverages in the same manner
required by the reasonable rules and regulations of the ABC Board. Such books and records shall be
available at all reasonable times for inspection by the City ABC Administrator and such City

Said license fee shall not be payable until application is made for the transfer of said license to a new location.
