Regulatory License Fee:

(a) A regulatory license fee is imposed on the gross receipts of sale of alcoholic beverages of each license issued by the County ABC Administrator. Such fee shall be in addition to any other tax, fee or license permitted by law, but a credit against such fee shall be allowed in an amount equal to the license or fee imposed and such regulatory fee shall be applied annually from July 1 to June 30.
(b) Payment of such regulatory fees shall be remitted to the County ABC Administrator, and shall accompany the tax returns approved for such use. (b) As used herein, the word "change" is construed to include any change in directors or officers of the corporation, or change in ownership of stock whereby any person secures ten percent (10%) of the outstanding stock. Such is the intent of this section. Realizing that a licensee, like other business, may have his business interrupted by situations not under his control, various exceptions to the dormancy rule have been included in this section.

Such licensee shall furnish to the County ABC Administrator a verified statement setting forth the fact that the licensee is unable to continue in business prior to the expiration of the ninety (90) days of inactivity, for any of the reasons set forth herein, and the County ABC Administrator may, in his/her discretion, grant an extension of the dormancy with the license continuing to remain in effect during the license period or until same is transferred to another premises, notwithstanding the fact that no business is transacted during said period; provided, however, no such license shall be considered valid unless business is conducted thereunder within twelve (12) months from the date of notice to the County ABC Administrator. (d) All renewal licenses must be on file with the County ABC Administrator within thirty (30) days prior to the expiration of the licenses for the preceding license period or the same shall be canceled, except where the licensee is unable to continue in business at the same premises licensed during the preceding license prior due to construction, an act of God, casualty, death, the acquisition or threatened acquisition of these premises by any federal, state, city or other governmental agency or private corporation, possessing power of eminent domain, whether such acquisition is voluntary or involuntary, or loss of lease through failure of landlord to renew existing lease; that said licensee shall file a written verified statement no less than twenty (20) days from the expiration date of the license, setting forth these facts, and the County ABC Administrator is hereby authorized to extend the time for filing of a renewal of such license for a reasonable length of time within the sound
discretion of the County ABC Administrator; provided, however, such licensee shall pay a license
fee from the expiration date of the former license or licenses. Said license fee shall not be payable
until application is made for the transfer of said license to a new location.

Approval of Premises:

The County ABC Administrator shall not grant any alcoholic beverage license or approve a
renewal of a license until said applicant and his place of business shall have been approved by the
county building official, and any and all other inspections required by the Kentucky Building Code.

Delinquent Taxes or Fees:

No license to sell alcoholic or malt beverages shall be granted or renewed to any person who
is delinquent in the payment of any taxes or fees due the County at the time of the issuing the license;
